Dear Mr. Barak,

Please accept my apologies for a delay: trips as usual.

We can meet Mr. Tshuva, but with some additional information on whether they are interested in a meeting and the subject of the conversation.

Our financial department will be making the transfer tomorrow or on Monday.

With my best regards,

Yours,

Elshad

Dear Elshad
I was glad to meet with you in Munich.
1) re Leviathan: let me know whether you're interested in meeting Mr. Tshuva or one of his most senior people to explore possible cooperation.
2) re our Hosts in Munich: I'm ready to continue the dialog with them on the issues we've discussed.
3) re the remaining transfers: I urge you to conclude it asap as a matter of mutual respect, long term perspective and good faith.
Trust you on all
Best
Ehud Barak
